

Cross Visit Program - Scoring Sheet (2026-Q3)

Score 3 assigned stores (never your own patch) on the most-missed CFV and food-safety items, in visit order: drive-thru, manager conversation, back of house. A perfect visit (all applicable items pass) pays \$50 to the GM and \$50 to the shift leader on duty. All visits complete by Wed Sept 16, 2026. The digital tracker on your board (visit page) is preferred.
